Test Case No	Summary	Test Case Steps	Expected Results	Actual Results	Test Results	Bug Id
TC-001	Verify the page title "Demo" is correctly displaying	1) Launch Google Chrome 2) Open the following URL: https://acme-qa.everreal.co/app/public/apply/d986458c-4423-4441-be64-77774109864b/applications/step2 3) View Page Title	The page title "Demo" should be correct	The page title "Demo" is correctly displaying	**Pass**	
TC-002	Verify the page URL is correct	1) Launch Google Chrome 2) Open the following URL: https://acme-qa.everreal.co/app/public/apply/d986458c-4423-4441-be64-77774109864b/applications/step2 3) View Page URL	The page URL should be correct	The page URL is correct	**Pass**	
TC-003	Verify the "Household Information" should be highlighted when user is on that specific section	1) Launch Google Chrome 2) Open the following URL: https://acme-qa.everreal.co/app/public/apply/d986458c-4423-4441-be64-77774109864b/applications/step2 3) Observe "Household Information" section	The "Household Information" should be highlighted when user is on that specific section	The "Household Information" is being highlighted when user is on that specific section	**Pass**	
TC-004	Verify the tab functionality should be proper on "Household Information" section	1) Launch Google Chrome 2) Open the following URL: https://acme-qa.everreal.co/app/public/apply/d986458c-4423-4441-be64-77774109864b/applications/step2 3)Press the "Tab" key 4)Observe behaviour	The tab functionality must be proper on "Household Information" section	The tab functionality is proper on "Household Information" section	**Pass**	
TC-005	Verify the mandatory fields are marked with asterik sign.	1) Launch Google Chrome 2) Open the following URL: https://acme-qa.everreal.co/app/public/apply/d986458c-4423-4441-be64-77774109864b/applications/step2 3)Observe mandatory fields	The mandatory fields must be marked with asterik sign	The mandatory fields are marked with asterik sign	**Pass**	
TC-006	Verify the text :**"Thank you for your interest in this unit. Please fill out the rental application form starting with the household information."** must be grammartically correct and does not contain any spell mistakes	1) Launch Google Chrome 2) Open the following URL: https://acme-qa.everreal.co/app/public/apply/d986458c-4423-4441-be64-77774109864b/applications/step2 3)Observe text	The text :"Thank you for your interest in this unit. Please fill out the rental application form starting with the household information." must be grammartically correct and does not contain any spell mistakes	The text :"Thank you for your interest in this unit. Please fill out the rental application form starting with the household information." is grammartically correct and does not contain any spell mistakes	**Pass**	
TC-007	Verify "No of Adults" drop down must be aligned with its corresponding text label	1) Launch Google Chrome 2) Open the following URL: https://acme-qa.everreal.co/app/public/apply/d986458c-4423-4441-be64-77774109864b/applications/step2 3)Observe "No of Adults" drop down	"No of Adults" drop down must be aligned with its corresponding text label	"No of Adults" drop down are aligned with its corresponding text label	**Pass**	

TC-008	Verify "No of Children" drop down must be aligned with its corresponding text label	1) Launch Google Chrome 2) Open the following URL: https://acme-qa.everreal.co/app/public/apply/d986458c-4423-4441-be64-777741109864b/applications /step2 3)Observe "No of Children" drop down	"No of Children" drop down must be aligned with its corresponding text label	"No of Children" drop down are aligned with its corresponding text label	Pass	
TC-009	Verify "No of Applicants" drop down must be aligned with its corresponding text label	1) Launch Google Chrome 2) Open the following URL: https://acme-qa.everreal.co/app/public/apply/d986458c-4423-4441-be64-777741109864b/applications /step2 3)Observe "No of Applicants" drop down	"No of Applicants" drop down must be aligned with its corresponding text label	"No of Applicants" drop down are aligned with its corresponding text label	Pass	
TC-010	Verify a single value should be selectable in "No of Adults" drop down with the help of Mouse	1) Launch Google Chrome 2) Open the following URL: https://acme-qa.everreal.co/app/public/apply/d986458c-4423-4441-be64-777741109864b/applications /step2 3)Now, open "No of Adults" drop down 4)Select any numeric value from 1-8 with mouse	A single value should be selectable in "No of Adults" drop down with the help of Mouse	A user is able to select a single value in "No of Adults" drop down with the help of Mouse	Pass	
TC-011	Verify a single value should be selectable in "No of Adults" drop down with the help of keyboard	1) Launch Google Chrome 2) Open the following URL: https://acme-qa.everreal.co/app/public/apply/d986458c-4423-4441-be64-777741109864b/applications /step2 3)Now, open "No of Adults" drop down 4)Select any numeric value from 1-8 with keyboard	A single value should be selectable in "No of Adults" drop down with the help of keyboard	A user is not able to select a single value in "No of Adu drop down with the help of Keyboard	Pass	
TC-012	Verify a single value should be selectable in "No of Children" drop down with the help of Mouse	1) Launch Google Chrome 2) Open the following URL: https://acme-qa.everreal.co/app/public/apply/d986458c-4423-4441-be64-777741109864b/applications /step2 3)Now, open "No of Children" drop down 4)Select any numeric value from 0-8 with mouse	A single value should be selectable in "No of Children" drop down with the help of Mouse	A user is able to select a single value in "No of Children " drop down with the help of Mouse	Pass	
TC-013	Verify a single value should be selectable in "No of Children" drop down with the help of keyboard	1) Launch Google Chrome 2) Open the following URL: https://acme-qa.everreal.co/app/public/apply/d986458c-4423-4441-be64-777741109864b/applications /step2 3)Now, open "No of Children" drop down 4)Select any numeric value from 0-8 with keyboard	A single value should be selectable in "No of Children" drop down with the help of keyboard	A user is not able to select a single value in "No of Children " drop down with the help of Keyboard	Pass	
TC-014	Verify a single value should be selectable in "No of Applicants" drop down with the help of Mouse	1) Launch Google Chrome 2) Open the following URL: https://acme-qa.everreal.co/app/public/apply/d986458c-4423-4441-be64-777741109864b/applications /step2 3)Now, open "No of Children" drop down 4)Select any numeric value from 1-2 with mouse	A single value should be selectable in "No of Applicant drop down with the help of Mouse	A user is able to select a single value in "No of Applicants " drop down with the help of Mouse	Pass	
TC-015	Verify a single value should be selectable in "No of Applicants" drop down with the help of keyboard	1) Launch Google Chrome 2) Open the following URL: https://acme-qa.everreal.co/app/public/apply/d986458c-4423-4441-be64-777741109864b/applications /step2 3)Now, open "No of Applicants" drop down 4)Select any numeric value from 1-2 with keyboard	A single value should be selectable in "No of Applicant drop down with the help of keyboard	A user is not able to select a single value in "No of Applicants " drop down with the help of Keyboard	Pass	

TC-016	Verify correct error messages must be shown if all three drop-downs are left empty	1) Launch Google Chrome 2) Open the following URL: https://acme-qa.everreal.co/app/public/apply/d986458c-4423-4441-be64-777741109864b/applications /step2 3)Without selecting any value in drop down, click "Next"	Correct error messages must be shown if all three mandatory drop-downs are left empty	Correct error messages:" This field is required" is displaying if all three drop-downs are left empty	Pass	
TC-017	Verify upon selecting numeric val: 1 in "No of Adults" and "No of Applicants" drop-downs respectively then "First Name" and "Last Name" fields must appear	1) Launch Google Chrome 2) Open the following URL: https://acme-qa.everreal.co/app/public/apply/d986458c-4423-4441-be64-777741109864b/applications /step2 3)Select value 1 from "No of Adults" drop-down 4)Now, select value 1 from "No of Applicants" drop-down 5)Observe the appearance of fields	"First Name" and "Last Name" fields must appear upon selecting numeric val: 1 in "No of Adults" and "No of Applicants" drop-downs respectively	First Name" and "Last Name" fields are appearing upon selecting numeric val: 1 in "No of Adults" and "No of Applicants" drop-downs respectively	Pass	
TC-018	Verify value: 2 should be automatically set in "No of Applicants" drop-down upon selecting numeric values from 2-8 in "No of Adults" drop-down	1) Launch Google Chrome 2) Open the following URL: https://acme-qa.everreal.co/app/public/apply/d986458c-4423-4441-be64-777741109864b/applications /step2 3)Select any value from 2 to 8 in "No of Adults" drop-down 4)Observe "No of Applicants" drop-down	Value: 2 should be automatically set in "No of Applicant" drop-down upon selecting numeric values from 2 to 8 in "No of Adults" drop-down	Value: 2 is automatically set in "No of Applicants" drop-down upon selecting numeric values from 2-8 in "No of Adults" drop-down	Pass	
TC-019	Verify two sets of "First Name" and "Last Name" fields emerge upon selecting any numeric values from 2 to 8 in "No of Adults" drop-down	1) Launch Google Chrome 2) Open the following URL: https://acme-qa.everreal.co/app/public/apply/d986458c-4423-4441-be64-777741109864b/applications /step2 3)Select any value from 2 to 8 in "No of Adults" drop-down 4)Observe fields	Two sets of "First Name" and "Last Name" fields must emerge upon selecting any numeric values from 2 to 8 in "No of Adults" drop-down	Two sets of "First Name" and "Last Name" fields are emerging upon selecting any numeric values from 2 to 8 in "No of Adults" drop-down	Pass	
TC-020	Verify two sets of "First Name" and "Last Name" fields emerge upon selecting value: 2 in "No of Applicants" drop-down	1) Launch Google Chrome 2) Open the following URL: https://acme-qa.everreal.co/app/public/apply/d986458c-4423-4441-be64-777741109864b/applications /step2 3)Select value: 2 in "No of Applicants" drop-down 4)Observe fields	Two sets of "First Name" and "Last Name" fields must emerge upon selecting value: 2 in "No of Applicants" drop-down	Two sets of "First Name" and "Last Name" fields are emerging upon selecting value: 2 in "No of Applicants" drop-down	Pass	
TC-021	Verify "First Name" and "Last Name" fields must be marked as mandatory	1) Launch Google Chrome 2) Open the following URL: https://acme-qa.everreal.co/app/public/apply/d986458c-4423-4441-be64-777741109864b/applications /step2 3)Select value: 1 in "No of Applicants" drop-down 4)Observe (*) on "First Name" and "Last Name" fields	"First Name" and "Last Name" fields must be marked as mandatory	"First Name" and "Last Name" fields are marked as mandatory	Pass	
TC-022	Verify Copy/Paste functionality must be working fine in "First Name" and "Last Name" fields	1) Launch Google Chrome 2) Open the following URL: https://acme-qa.everreal.co/app/public/apply/d986458c-4423-4441-be64-777741109864b/applications /step2 3)Select value: 1 in "No of Applicants" drop-down 4)Copy text from clipboard and paste in "First Name" and "Last Name" fields	Copy/Paste functionality must work fine in "First Name" and "Last Name" fields	Copy/Paste functionality is not disabled and working fine	Pass	
TC-023	Verify error messages should be shown upon leaving "First Name" and "Last Name" fields as empty	1) Launch Google Chrome 2) Open the following URL: https://acme-qa.everreal.co/app/public/apply/d986458c-4423-4441-be64-777741109864b/applications /step2 3)Select value: 1 in "No of Applicants" drop-down and select appropriate values in other drop-downs 4)Click "Next"	Error messages should be shown upon leaving "First Name" and "Last Name" fields as empty	Error messages:" This field is required" are appearing upon leaving "First Name" and "Last Name" fields as empty	Pass	

TC-024	Verify "First Name" should only accept alphabetical chars	1) Launch Google Chrome 2) Open the following URL: https://acme-qa.everreal.co/app/public/apply/ d986458c-4423-4441-be64-77774109864b/ applications /step2 3)Select value: 1 in "No of Applicants" drop-down 4)Enter following types of data in "First Name" field: i)Numeric Values ii)Special chars iii)Foreign chars iv) HTML tags	A validation error should be shown if user enters any value besides alphabetical chars	No validation error message is appearing and user is allowed to enter the following values in "First Name" field: i)Numeric Values ii)Special chars iii)Foreign chars iv) HTML tags	Fail	Defect1
TC-025	Verify "Last Name" should only accept alphabetical chars	1) Launch Google Chrome 2) Open the following URL: https://acme-qa.everreal.co/app/public/apply/ d986458c-4423-4441-be64-77774109864b/ applications /step2 3)Select value: 1 in "No of Applicants" drop-down 4)Enter following types of data in "First Name" field: i)Numeric Values ii)Special chars iii)Foreign chars iv) HTML tags	A validation error should be shown if user enters any value besides alphabetical chars	No validation error message is appearing and user is allowed to enter the following values in "Last Name" field: i)Numeric Values ii)Special chars iii)Foreign chars iv) HTML tags	Fail	Defect1
TC-026	Verify "First Name" should not allow large values and have chars limit	1) Launch Google Chrome 2) Open the following URL: https://acme-qa.everreal.co/app/public/apply/ d986458c-4423-4441-be64-77774109864b/ applications /step2 3)Select value: 1 in "No of Applicants" drop-down 4) Enter large amount of data in "First Name" field	A validation error should be shown if user enters large amount of data in "First Name" field	No validation error message is appearing and user is allowed to enter large amount of data in "First Name" field	Fail	Defect2
TC-027	Verify "Last Name" should not allow large values and have characters limit	1) Launch Google Chrome 2) Open the following URL: https://acme-qa.everreal.co/app/public/apply/ d986458c-4423-4441-be64-77774109864b/ applications /step2 3)Select value: 1 in "No of Applicants" drop-down 4) Enter large amount of data in "Last Name" field	A validation error should be shown if user enters large amount of data in "Last Name" field	No validation error message is appearing and user is allowed to enter large amount of data in "Last Name" field	Fail	Defect2
TC-028	Verify browser's back navigation icon should be disabled when user is on Household Information section	1) Launch Google Chrome 2) Open the following URL: https://acme-qa.everreal.co/app/public/apply/ d986458c-4423-4441-be64-77774109864b/ applications /step2 3)View browser's back navigation icon	Browser's back navigation icon should be disabled when user is on Household Information section	Browser's back navigation icon is enabled when user is on Household Information section	Fail	Defect3
TC-029	Verify the "Enter" key should be working fine on Household Information section page	1) Launch Google Chrome 2) Open the following URL: https://acme-qa.everreal.co/app/public/apply/ d986458c-4423-4441-be64-77774109864b/ applications /step2 3)Select value: 1 in "No of Applicants" drop-down and select appropriate values in other drop-downs 4)Enter text in "First Name" and "Last Name" fields 5)Hit "Enter" key from keyboard	"Enter" key should be working fine on Household Information section page	"Enter" key pressed from keyboard is not working on Household Information section page	Fail	Defect4
TC-030	Verify a custom page or 404 Page Not Found should be shown upon URL Tampering	1) Launch Google Chrome 2) Open the following URL: https://acme-qa.everreal.co/app/public/apply/ d986458c-4423-4441-be64-77774109864b/ applications /step2 3)Change some values in URL like: https://acme-qa.everreal /app/public/apply/ d986458c-4423-4441-be64-77774109864b/ applications /step6 4) Observe behaviour	A custom page or 404 Page Not Found should be shown upon URL Tampering	An error with Get Request method is displaying	Fail	Defect5

TC-031	Verify a valid certificate should be shown upon clicking the padlock on URL	1) Launch Google Chrome 2) Open the following URL: https://acme-qa.everreal.co/app/public/apply/d986458c-4423-4441-be64-77774109864b/applications/step2 3)Click on padlock icon adjacent to URL 4)View Certificate details	A valid certificate should be shown upon clicking the padlock on URL	A valid certificate is displaying upon clicking the padlock on URL	Pass	
TC-032	Verify the Applicant(s) section should be shown as disabled	1) Launch Google Chrome 2) Open the following URL: https://acme-qa.everreal.co/app/public/apply/d986458c-4423-4441-be64-77774109864b/applications/step2 3)Click on Applicant(s) section	The Applicant(s) section should be disabled	The Applicant(s) section is disabled	Pass	
TC-033	Verify place holder text inside "First Name" and "Last Name" fields should be disappeared when input is entered	1) Launch Google Chrome 2) Open the following URL: https://acme-qa.everreal.co/app/public/apply/d986458c-4423-4441-be64-77774109864b/applications/step2 3)Select value: 2 in "No of Applicants" drop-down and select appropriate values in other drop-downs 4) Enter text in "First Name" and "Last Name" fields	Place holder text inside "First Name" and "Last Name" fields should be disappeared when input is entered	Place holder text inside "First Name" and "Last Name" fields is being vanished when input is entered	Pass	
TC-034	Verify a user should proceed upon giving input and clicking "Next"	1) Launch Google Chrome 2) Open the following URL: https://acme-qa.everreal.co/app/public/apply/d986458c-4423-4441-be64-77774109864b/applications/step2 3)Select value: 2 in "No of Applicants" drop-down and select appropriate values in other drop-downs 4) Enter text in "First Name" and "Last Name" fields 5)Click "Next"	A user should proceed upon giving input and clicking "Next"	A user is proceeding to "Applicants Screen" upon giving input and clicking "Next"	Pass	
TC-035	Verify the "EverReal" logo should redirect a user towards Home page of EverReal website	1) Launch Google Chrome 2) Open the following URL: https://acme-qa.everreal.co/app/public/apply/d986458c-4423-4441-be64-77774109864b/applications/step2 3)Click on "EverReal" logo	The "EverReal" logo should redirect a user towards Home page of EverReal website	The "EverReal" logo is redirecting a user towards Google.com	Fail	Defect6
TC-036	Verify the top "Login" link redirects a user towards Login page	1) Launch Google Chrome 2) Open the following URL: https://acme-qa.everreal.co/app/public/apply/d986458c-4423-4441-be64-77774109864b/applications/step2 3)Click on "Login" link	The top "Login" link redirects a user towards Login page	The top "Login" link is redirecting a user towards Login page	Pass	
TC-037	Verify "View Expose" button should redirect towards respective page	1) Launch Google Chrome 2) Open the following URL: https://acme-qa.everreal.co/app/public/apply/d986458c-4423-4441-be64-77774109864b/applications/step2 3)Click on "View Expose" button	"View Expose" button should redirect towards respective page	"View Expose" button is redirecting towards respective page	Pass	
TC-038	Verify "Privacy Policy" link in footer region should redirect a user towards correct "Privacy Policy" page	1) Launch Google Chrome 2) Open the following URL: https://acme-qa.everreal.co/app/public/apply/d986458c-4423-4441-be64-77774109864b/applications/step2 3)Click on "Privacy Poilcy" link	"Privacy Policy" link in footer region should redirect a user towards correct "Privacy Policy" page	"Privacy Policy" link in footer region is redirecting a user towards Youtube site	Fail	Defect7

TC-039	Verify "Terms & Conditions" link in footer region should redirect a user towards correct "Terms & Conditions" page	1) Launch Google Chrome 2) Open the following URL: https://acme-qa.everreal.co/app/public/apply/d986458c-4423-4441-be64-77774109864b/applications /step2 3)Click on "Terms & Conditions" link	"Terms & Conditions" link in footer region should redirect a user towards correct "Terms & Conditions" page	"Terms & Conditions" link in footer region is redirecting a user towards Google.com	**Fail**	Defect7
TC-040	Verify "Support" link in footer region should redirect a user towards correct "Support" page	1) Launch Google Chrome 2) Open the following URL: https://acme-qa.everreal.co/app/public/apply/d986458c-4423-4441-be64-77774109864b/applications /step2 3)Click on "Support" link	"Support" link in footer region should redirect a user towards correct "Support" page	"Support" link in footer region is not redirecting a user towards correct "Support" page	**Fail**	Defect7
TC-041	Verify text of all fields should be changed to German if langauge is changed from English to German and vice versa	1) Launch Google Chrome 2) Open the following URL: https://acme-qa.everreal.co/app/public/apply/d986458c-4423-4441-be64-77774109864b/applications /step2 3)Change language drop-down 4)Observe fields	Text of all fields should be changed to German if langauge is changed from English to German and vice versa	Text of all fields is being changed to German if langauge is changed from English to German and vice versa	**Pass**	
TC-042	Verify two applicants First Name and Last Name should be different	1) Launch Google Chrome 2) Open the following URL: https://acme-qa.everreal.co/app/public/apply/d986458c-4423-4441-be64-77774109864b/applications /step2 3)Select value: 2 in "No of Applicants" drop-down and select appropriate values in other drop-downs 4)Enter same values in First Name and Last Name fields	Error message should be shown upon entering same applicants name	No error message is displaying upon entering same applicants name twice	**Fail**	Defect8
TC-043	Verify "Household Information" fields should be reset upon page refresh	1) Launch Google Chrome 2) Open the following URL: https://acme-qa.everreal.co/app/public/apply/d986458c-4423-4441-be64-77774109864b/applications /step2 3)Select value: 1 in "No of Applicants" drop-down and select appropriate values in other drop-downs 4)Enter text in First Name and Last Name fields 5)Refresh page 6)Observe fields	"Household Information" fields should be reset upon page refresh	"Household Information" fields is reset upon page refresh	**Pass**	
TC-044	Verify that entering blank spaces on mandatory fields lead to validation error	1) Launch Google Chrome 2) Open the following URL: https://acme-qa.everreal.co/app/public/apply/d986458c-4423-4441-be64-77774109864b/applications /step2 3)Select value: 1 in "No of Applicants" drop-down and select appropriate values in other drop-downs 4)Enter blank spaces in First Name and Last Name fields 5)Click Next	Entering blank spaces on mandatory fields lead to validation error and user should not proceed to further section	No validation message is appearing and user is able to proceed with to further section	**Fail**	Defect9
